### Enrollment Options

Note: We recommend that students attend at least three mornings per week in order to build relationships with other students, maintain a comfortable attitude towards attending school and sense of knowledge about routines, and participate in classroom projects. Attending for only 2 mornings may result in a longer and less smooth adjustment period versus attending for 3 or more. However, 2 days is an option for those whose schedule demands it, and could be a good fit for certain children.

Please mark your preferred schedule and indicate second or third choices if they would also be acceptable to you (i.e. write "1" for first choice, "2" for second choice, etc.)

Please attach a check made out to "The Mayapple School" for the amount of the supply and registration fee for your requested schedule (first choice – any difference can be made up at a later time). Applications are considered complete only with registration fees.

Your check will not be deposited until your application is reviewed. If we cannot offer you a spot, we will let you know, and your check will be shredded or voided and returned to you upon request. If we can offer you a spot, we will let you know, and we will deposit your check. Please look for a message regarding your application to The Mayapple School on or shortly after April 15, 2019. Once deposited, the above fee is non-refundable. This fee is used to support the operations of the school in preparation for your child's arrival. As these services cannot be "returned" by The Mayapple School should families change their minds about attendance, this fee likewise cannot be returned.

Parents/Guardians agree to complete needed documents before the first day of school, such as school entrance health form, parent handbook agreement, etc., which will be sent to families summer 2019.
