Program Changes for the 2018/2019 School Year

Before enrolling in The Mayapple School, please read about important changes to the program at <http://www.mayapple.org/program-changes-for-the-20182019-school-year/> . Changes include physical location move, Kinderforest program, and more.

## Enrollment Options

Note: We recommend that students attend at least three mornings per week in order to build relationships with other students, maintain a comfortable attitude towards attending school and sense of knowledge about routines, and participate in classroom projects. Attending for only 2 mornings may result in a longer and less smooth adjustment period versus attending for 3 or more. However, 2 days is an option for those whose schedule demands it, and could be a good fit for certain children.

Please mark your preferred schedule and indicate second or third choices if they would also be acceptable to you (i.e. write "1" for first choice, "2" for second choice, etc.)
